

Arvind Thakur
Chief Executive Office
NIIT Technologies

Mr. Arvind Thakur is the Chief Executive Officer of NIIT Technologies Ltd, a global IT Services Organization, headquartered in New Delhi, India. He has lead the business to the category of top software providers in select industry segments with global operations spanning across North America, Europe, Middle East , Asia and Australia.

Mr. Thakur has been steering the software business of NIIT since the early days, when the Indian software and services sector was still in a nascent stage. From helping NIIT wet its feet in the domestic market, to establishing the company as one of India's top 20 IT software and services exporters—Mr. Thakur has played a key role in NIIT Technologies' accelerated growth journey. Whether it is establishing NIIT Technologies as a preferred workplace in India, or reiterating its status of Business Superbrand, Mr. Thakur has set the course for the company, enabling it to grow from strength-to-strength. His commitment to process excellence, execution and developing talent with deep domain strengths, has enabled NIIT Technologies to emerge as a partner of choice for leading global corporates.

Recently Mr. Thakur was appointed on the Board of Management of NIIT University, established in Rajasthan, India. He is an active member of many Industry associations and Societies and has served these bodies in various capacities in implementing their programs.
