Professional Endeavors & Accomplishments

As chairman of Ameriprise India, Bimal Gandhi is responsible for driving the firm's strategy in the Indian market, including all operations and expansions. Among these is the recent launch of comprehensive financial planning and advisory services in Mumbai and Delhi-NCR.

Gandhi joined Ameriprise Financial in 2004 and currently serves as executive vice president of enterprise services, in addition to his role in India. Based in the U.S., he oversees several key enterprise functions in the finance area.

Gandhi began his career as a successful entrepreneur and was a founding member of the Mitchell Madison Group, a global management consultancy where he focused on turnaround and growth strategy for firms in the financial services, business process outsourcing and travel industries.

Gandhi is an active baseball coach in his hometown and works with several non-profit organizations devoted to helping children and young adults.
