

Brian J. Manning
President & Managing Director
CSC in India

Brian's responsibilities include managing 20,000+ employees based in India, ensuring that the delivery capacity in India continues to expand with CSC's global business requirements and that CSC India's portfolio of services continues to enhance CSC's global competitiveness.

Prior assignments include COO Global Applications Services Delivery and vice president for the Capability Resource Center (CRC).

Brian also served as director of Global Infrastructure Services in India, where he successfully established operations to grow CSC's offshore capability from 600 to 2,700 employees within three years. He joined CSC in 1995 from Hughes Aircraft Company to work in management operations of network services.

Brian brings more than 23 years of experience in information technology management, operations, strategic planning and sales. Brian holds a BA degree in speech communication and an MA degree in communications management.
