

## **HARSH MANGLIK**

### **Chairman & Geography Managing Director, Accenture India**

Harsh Manglik is Chairman & Geography Managing Director, Accenture India. As Accenture's senior leader in India, he is responsible for all Accenture activities in India and for the strategic direction, growth and development of its businesses based in this geography.

Before Accenture, Mr. Manglik was worldwide Vice President, Symantec Corporation. Earlier in his career, Mr. Manglik worked with IBM for nearly 10 years and held US, Asia Pacific and global leadership responsibilities. He also served as an executive at Pratt & Whitney/United Technologies Corporation. Earlier, Mr. Manglik was a consultant with Booz Allen Hamilton. He started his career as a Management Trainee with Metal Box India.

Mr. Manglik brings with him over 30-years of global business and consulting experience, gained in several world class firms, spanning many domains including aerospace, automotive, electronics, telecom and IT services.

Mr. Manglik has been an active participant in collaboration between industry and academia. He is a member of Carnegie Mellon University's Presidential Committee on India. He previously served on the Founding Operating Committee at the Massachusetts Institute of Technology (MIT) for the "Leaders for Manufacturing" graduate program, aimed at the intersection of business and technology.

Mr. Manglik is Vice Chairman of the Executive Council for NASSCOM for the year 2009-2010. He is also an invited member of the National Council of the Confederation of Indian Industry (CII). He was recently featured on the cover of Forbes magazine for a lead story.

Mr. Manglik is recipient of the IIT Kanpur Distinguished Alumnus Award, the highest award The Indian Institute of Technology Kanpur confers on its alumni.

Mr. Manglik grew-up in Uttar Pradesh and graduated from the Indian Institute of Technology, Kanpur. Earlier he attended St Stephen's College, Delhi University, where

he studied physics. He also holds an MBA from Carnegie Mellon University and a Master's degree in Mechanical Engineering from Case Western Reserve University.

Mr. Manglik and his wife live in Bangalore and have two daughters.
