Manish Rathi
Co Founder and CEO
RailYatri

Mr Manish Rathi has always been intrigued about solving large scale/complex problems by breaking it down. So when it came to understanding and simplifying the complexity associated with train travel in India, he took the help of data, information models and crowdsourcing to create RailYatri. RailYatri today is the fastest growing travel startup in India with nearly 5M monthly active users.

Mr Rathi has a Masters in Computer Science from Western Michigan University and has more than 20 years of industry experience working with Bell Labs, July Systems and GlobalLogic.
