

## **LogMeIn- Video Conferencing and Remote Support Services**

Given the current situation, the coronavirus (COVID-19) crisis has forced organizations to quickly adopt various remote work programs to keep employees safe and healthy while ensuring business continuity.

We, at NASSCOM, understand that the SMEs are the worst hit and face unprecedented challenges due to the COVID19 lockdown and thus, how important it is, for their survival, to re-calibrate their business models for effective business continuity and growth.

With an intent to help our SMEs implement and sustain their critical business operations amidst the lockdown, NASSCOM collaborated with LogMeIn to offer effective video conferencing and remote support services at a special 50% discount, exclusively for our members.

Mentioned below are the LogMeIn services that can be purchased at 50% discount:

- GoToMeeting Professional- <https://www.gotomeeting.com/en-in/meeting/pricing-ma>
- GoToMeeting Business- <https://www.gotomeeting.com/en-in/meeting/pricing-ma>
- GoToWebinar Starter- <https://www.gotomeeting.com/en-in/webinar/pricing>
- Rescue Assist- <https://get.gotoassist.com/en-in>
- Central Base + Automation- <https://www.logmein.com/central>
