OYO HOTELS & HOMES: Proposal for NASSCOM Members

To

The National Association of Software and Service Companies and its Members

As you know, these are testing times for us as a nation in the fight against Covid-19 and we are doing our bit in ensuring that we are able to serve all the accommodation/stay related requirements for any organization that reaches out to us for business continuity. Through this, we would like to assure you that our doors are always open for your employees/ members wherein they can come and stay within the clean, sanitized, comfort- able rooms of OYO and take rest after a long day's work.

COVID BCP Objective - Our focus is clear: It's you—our members & partners. We are confident of taking care of your accommodation requirements in these testing times. With the expanse of OYO's pan India network and an agile team on field, OYO will try its best to take care of all the accommodation needs of NASSCOM members at affordable costs.

In the current scenario we have extended our support to various front liners, State Governments, National Health Mission, Hospitals (both Government and Private), foreign diplomatic missions in India and Indian missions abroad and other entities in the private sector. It shall be our privilege to also serve the NASSCOM community.
